

What's your Sparketype, and how can you put it to work for you?

Whether you're looking to improve your paid position, side hustle, parenting, hobby, or retirement, jump into our mini-course to:

- Reconnect with work that motivates you, fills you with purpose and, fully expressed in a healthy way, becomes a mainline to meaning, flow, performance, and joy;
- Discover what sparks you, what drains you, where you stumble and come alive, so you can reclaim a sense of direction, control, and purpose;
- Understand the "real" reasons certain experiences, jobs, and roles leave you empty and know how to make things better, without having to endure big disruptive changes; and
- Identify the action steps to begin immediately transforming the way you work and live.

Over 5 days, each morning at 8 am EST, participants will receive the day's lesson (a short video or email and an accompanying exercise). That evening at 8 pm EST, participants can join a live half-hour Zoom call to dive deeper, ask questions, and get feedback.

*If you miss the live call, the recording will be sent within an hour, available for viewing for 30 days. *No Facebook or social media required!*
