

## Seeking Beta Testers for a *Sparked!* 5-Day Mini-Course

What's your Sparketype, and how can you put it to work for you?

Whether you're looking to improve your paid position, side hustle, parenting, hobby, or retirement, jump into our mini-course to:

- Reconnect with work that motivates you, fills you with purpose and, fully expressed in a healthy way, becomes a mainline to meaning, flow, performance, and joy;
- Discover what sparks you, what drains you, where you stumble and come alive, so you can reclaim a sense of direction, control, and purpose;
- Understand the "real" reasons certain experiences, jobs, and roles leave you empty and know how to make things better, without having to endure big disruptive changes; and
- Identify the action steps to begin immediately transforming the way you work and live.

We start on Sunday, March 13. Over 5 days, each morning at 8 am EST, participants will receive the day's lesson (a short video or email and an accompanying exercise). That evening at 8 pm EST, participants can join a live half-hour Zoom call to dive deeper, ask questions, and get feedback.

\*Each live call will have a surprise give-away, and you must be on the call to win. If you miss the live call, the recording will be sent within an hour, available for viewing for 30 days. *No Facebook or social media required!*

**\$50 – Beta-Tester Special Rate**

*Must be willing to complete a feedback form at the end of the course*
